

# CASA RELIEF WORK IN **PATHANAMTHITTA**

Even though flood waters have receded in the low-lying district of Pathanamthitta but the houses here still depict the extent of devastation. We are reaching out to the most affected families in the district with our relief supplies.

**CASA** along with **actalliance** chose and packed all the relief material based on the recommendations of the affected communities in the flood-ravaged district. Essential materials like sanitary napkins to antiseptics are helping them immensely fight post flood conditions.
